### CHAPTER 1

#### INTEGRATION OF RELIGION AND SCIENCE

|  |    |
|--|----|
| Introduction.....  | 1  |
| I. The Conflict between Religion and Science in Christianity.....              | 5  |
| (1) The Theory of Faith as Absolute.....                                       | 5  |
| (2) The Struggle with Physicality.....   | 7  |
| II. The Opposition of Mind and Matter, and their Unification.....              | 11 |
| (1) The Opposition of Mind and Matter.....                                     | 11 |
| (2) The Unification of Mind and Matter.....                                    | 12 |
| (3) God Supports All Creation through Self-Negation.....                       | 15 |
| III. Natural Science and Religion Are Not Contradictory.....                   | 17 |
| (1) An Experiment that Captures Light Produced by Mental<br>Concentration..... | 17 |
| (2) The Implications of the Experiment.....                                    | 26 |
| IV. The Unification of Religion and Science.....                               | 29 |
| (1) Science Depends Upon Religion for Its Identity and Support.....            | 29 |
| (2) Conclusion -- Perspective for a World Religion.....                        | 31 |

**CHAPTER 2****THE EVOLUTION OF RELIGION**

|  |    |
|--|----|
| Introduction .....   | 35 |
| I. Living in Association with a “Larger Existence” .....   | 36 |
| (1) The Case of Religion .....   | 36 |
| (2) The Case of Dialectical Materialism .....  | 38 |
| II. Differences between Dialectical Materialism and Religion.....                                  | 39 |
| (1) Thesis, Antithesis, and Synthesis in the Natural World<br>Necessity and Planarity .....        | 39 |
| (2) Thesis, Antithesis, and Synthesis in Religion .....  | 41 |
| (3) The Difference between “Synthesis” in Dialectics and in<br>Religion .....                      | 42 |
| III. Opposition and Unification between God and Man .....  | 44 |
| (1) The Process Leading To Unification .....   | 44 |
| (2) Differences between Synthesis in Dialectical Materialism and<br>the Union of God and Man ..... | 46 |
| IV. The Evolution of Religion .....  | 48 |
| (1) Stages in the Evolution of the Soul .....  | 48 |
| (2) Religion Evolves .....   | 49 |
| (3) Stages of Religious Evolution and the Understanding of<br>Karma .....                          | 53 |
| V. Question and Answer .....   | 56 |

**CHAPTER 3****HOLISTIC MEDICINE**

|  |    |
|--|----|
| Introduction .....                               | 71 |
| I. Unifying Principles of Holistic Medicine..... | 73 |
| (1) What Is Holistic Medicine?.....              | 73 |
| (2) What Is Holistic Human Existence?.....       | 74 |

|  |     |
|--|-----|
| II. Ki and Meridian Functioning Monitored with the AMI .....                               | 76  |
| (1) AMI and the Four Parameters.....   | 76  |
| (2) BP Is the Parameter of Ki and Meridian Functioning .....                               | 79  |
| III. BP (A Parameter of Ki and Meridian Functioning) and Psychophysical<br>Condition ..... | 89  |
| (1) BP and the Physical Body .....   | 89  |
| (2) Emotion, Psychosis, and BP.....  | 94  |
| IV. BP and Psi Abilities .....   | 97  |
| (1) Ki and Meridian Function in Psychics .....   | 97  |
| (2) An Experiment on Psychic Abilities with M.Y.<br>(Light Experiment) .....               | 100 |
| (3) Implications of the Light Experiment .....   | 107 |

**APPENDIX TO CHAPTER 3****THE THREE-LAYERED EXISTENCE OF  
HUMAN BEINGS AND THE CAUSE, PREVENTION,  
AND TREATMENT OF DISEASE**

|   |     |
|---|-----|
| Introduction .....  | 111 |
| (1) Treatment of Mental and Physical Diseases Caused in the<br>Physical Dimension.....        | 111 |
| (2) Treatment of Mental and Physical Diseases Caused in the<br>Astral Dimension.....          | 112 |
| (3) Mental and Physical Diseases Caused in the Spirit Dimension,<br>and their Treatment ..... | 115 |
| (4) Is it Possible to Prevent Disease Caused in the Spirit Realm?.....                        | 120 |
| (5) Does Man Reincarnate?.....  | 122 |

**CHAPTER 4**

**CONCRETE EVIDENCE OF THE EVOLUTION  
OF RELIGION**

I. Evolution of the Soul as Seen in a Certain Religious Practitioner  
and the Evolution of Religion..... 127

    (1) The Difficulty of Comprehending God..... 127

    (2) Various Religious Practices..... 132

    (3) From Spiritual Awakening to Spiritual Evolution..... 137

II. Religious Practice and Spiritual Evolution..... 148

    (1) Spiritual Worlds Existence and the Meaning and Aims of  
        Religious Practice ..... 148

    (2) To the World of “Selfless Self” ..... 151

III. Evolution of Religion ..... 159

    (1) Spiritual Evolution of Religious Persons and the Evolution  
        of Religion..... 159

    (2) Evolution of Religion and World Peace..... 162

PROFILE OF THE AUTHOR ..... 169
