

## STUDENT PROGRAM ADVISING

Dear CIHS students,

I hope this message finds you well. At this time of year I think of something Melville said near the start of his novel *Moby Dick*: “It is a damp, drizzly November in my soul.” May it be a quite different November for you in body, mind, and soul – sunny and pleasant, if you will.

I am writing to give you a broad outline of how we at CIHS want to provide advising to you in terms of your academic programs, your specific academic courses, and your life as a CIHS student. The following are guidelines we recommend to you, though we understand that some issues may not fit easily into these listed areas and, in fact, may extend across more than one of them:
